7.3 Institutional Distinctiveness:

The vision of the institution is to aspire the welfare of society through the fineness in science, commerce and management by building leadership qualities. Our college reliably motivates the students by providing a platform for their physical and mental development through coordinating qualities like honesty, delegation, confidence, commitment, optimism, creativity and perseverance. The institution has never faltered in inspiring the students in the pursuit of knowledge, moral values, and social responsibility.

Leaders institution

The institution hosts a Leadership Academy for developing leadership qualities in students. To mould the students into socially responsible leaders, the academy has designed a unique three-year leadership programme which contains diverse sessions like leadership development group activities, seminars, group discussion, debate training sessions and interaction with prominent leaders.

- **Focusing on two dimension of Uniqueness:** It happens in two dimensions. Firstly, uniqueness may cause when an individual or group achieves something that is highly respected by both external and internal components and forces. Secondly, dimension of uniqueness happens when something remarkable happens across multiple activities, units, or even across the entire college. This type of uniqueness benefits the entire institution.
- **Innovative teaching practices:** Our institution is creating a platform for the students to develop their knowledge, skills and attain success in their life. Our college provides and assists the students with the vital knowledge, exposure and experience to pursue their dreams and aims with satisfying employment. With the skills gained, the student becomes more determined and confident in facing the future. our students are motivated to get University ranks in the academics.
- **Regular Monitoring & Implementation of the code of conduct:** In order to ensure discipline in the college, there is an importance on application of code of conduct at all times. There is an active discipline committee which conducts proper monitoring & discipline of students.
- **Improve the academics of the students:** Students are classified into slow and advanced learners as per the defined practice. The slow learners have improvement sessions in terms of additional sessions, advising sessions, etc. The advanced learners are provided with special sessions for encouraging and guiding them towards competitive/government exams.
- **Support and guide to provide scholarships from various institutions and Building Professionals:** Our college supports and guides students to receive scholarships from various government and non-government agencies. And also Institutions build professionals who are jobwise enriched, socially and ethically accountable, emotionally steady and always enthusiastic to help the country for excellence in various grounds.
