**7.3 Institutional Distinctiveness:**

The vision of the institution is to aspire the welfare of society through the fineness in science, commerce and management by building leadership qualities. Our college reliably motivates the students by providing a platform for their physical and mental development through coordinating qualities like honesty, delegation, confidence, commitment, optimism, creativity and perseverance.

### **LEADERS INSTITUTION –**

The institution hosts a Leadership Academy for developing leadership qualities in students. To mould the students into socially responsible leaders, the academy has designed a unique three-year leadership programme which contains diverse sessions like leadership development group activities, seminars, group discussion, debate training sessions and interaction with prominent leaders.

Diverse approaches like separate and group assignments, training sessions, workshops, presentations, theatre of education, interaction with projecting leaders and off-site visits are adopted for conclusion of modules. Upon successful completion of the programme, the students become remarkably adept in skills of language, communication, problem solving, decision making, strategic planning and time management towards involvement in the society. It helps us to showcase the talents and skills of the members, boosting their self-confidence and helping them strengthen skills and reduce performance concern.

The Vision, Mission and Objectives of the institution clearly points helping to build up socially productive and optimistic citizens along with the elevating people in educational, social, cultural, economic and physical domains based on the curriculum of the Bangalore University combining it with the core values attached to DBIMSCA. Our focus is on skill development, career-oriented Courses, industry visit, field-based study and college curriculum implementation and enrichment.

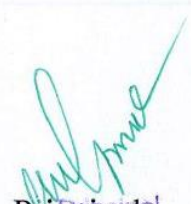

### **Objectives:**

- ✓ To provide intellectual and moral leadership by igniting the minds of students to realise their potential and possible contribution to prosperity of the society and the state at large.
- ✓ To empower the students with the experiences of visionary leaders
- ✓ To gain inspiration and motivation to lead a purpose life
- ✓ To develop resilience to face the challenges of life and achieve the goals

The college situated in semi urban area with all modes of communication We the teachers usually give our best in catering our knowledge among the students and they are inspired to grasp this in their own way. We usually give moral values which may act as a counsellor near future. Not equal but alike characteristics are demanding patronage from college authorities. After completion of graduation the students may feel free to discuss with us and getting doubt clear. This is distinctive features of our college.

Our college provides equal opportunities for all the students in social, political, economic participation in all social interactions, strengthening the social ties, solidarity, and integrity in all level of life of the students. We have a demographic diversity as the students are from different parts of the country and socioeconomic background with language preferences. We are trying to inculcate the values of education among all the faculties and students of this college by providing opportunities to explore and enhance the stakeholder's participation in all the events.
