BEST PRACTICES – 1
Mentor-Mentee Program

DON BOSCO INSTITUTE OF MANAGEMENT STUDIES AND COMPUTER APPLICATIONS

Kumbalgodu, Bengaluru, Karnataka - 560074

1. Title of the Practice:

Mentor – Mentee Program 2019-20

2. Objective of the Practice:

- This System is introduced in the institution for the purpose of serving the needs of the students in the academic and their personal way.
- It is thus an essential feature to render equitable service to the students coming from different background. Mentoring System in the institution provides support to the students through advices and counselling, through friendship building, through re-enforcement and constructive role modelling.
- During mentoring Students (Mentees), academic performance in internal and external was discussed. Students' regularity and irregularity in attendance were discussed.
- Mentee's problems relating to personal issues were also taken up and suggestions were made accordingly, students were encouraged to take part in the co-curricular activities.
- Slow learners were identified and given encouragement and motivation. Advance learners were encouraged to reach their full potentials.

3. The Context:

The institute has followed the suggestion made by the IQAC, the Department of Commerce and Management introduce the mentoring system. The institute felt the importance of mixing such a system into the college management system. It had punctually and effectively put it into practice in the past two years. With an extensive variation in the student population with regard to economic and educational background, the system possibilities to provide a better understanding of individual students and bring out their highest prospective. It also seems to be the most effective method for justifying cases of slow learners.

4. The Practice

The Institution had taken the initiative to implement this system. Every year the names of all students are collected and allocated to mentors of the institute. They are divided into groups of 18-25 students depending on the number of students. Each group is assigned a teacher/mentor who is responsible for accumulating academic performance. The teacher/mentor is given required information about his/her mentees and is expected to offer guidance and counselling as and when required. In out-of-the-way cases, parents are called for special meetings with the Principal at the suggestion of the mentor.
