### **An Excursion to Kushal Nagar**

The college organised an excursion to Kushal Nagar. It was a one day and two-night trip (29-4-2019 to 1-5-2019). There were 55 students and 6 faculties. The Kushal Nagar is located in the heart of Kodagu district of Karnataka state. Kushal Nagar is considered as one of the best tourist places in Karnataka. Tourists from all over the places visit here to witness the nature's beauty. Our visit to the Kushal Nagar is not only an educational trip but also a cultural one.

We were all excited to witness the beautiful journey. We reached the venue at 8:00 am, Tuesday (30-4-2019). After a small refreshment, we had our breakfast. The first sight was the Dubare Elephant camp in Kushal Nagar. Dubare, the place is known for its elephant camp, a forest camp which is on the banks of the river Cauvery in the District of Kodagu. It was an awesome and thrilling experience in Dubare.

For ages, the Elephants for the Mysore Dussehra were trained at Dubare elephant camp. The forests of Dubare are home to many wild animals, birds, reptiles and non-venomous snakes. A few Crocodiles are seen in a particular area of the river. There are opportunities for trekking, elephant rides, fishing and river rafting. These activities are hosted by the Government of Karnataka.

After having lunch, we went to the botanical garden Nisargadhama. It is a garden of several rare plants and very old huge medicinal trees. Elephant rides and boating are some of the other attractions in the garden. The climate in Nisargadhama was very pleasant during our visit. Everyone enjoyed the beautiful scenery of the place.

Evening, we had a tea break with some snacks. We visited Tibetan Namdrolling Monastery popularly known as Golden Temple of Karnataka. This temple which is located in Bylakuppe, is a part of the Mysore district of Karnataka. The monastery is a home to the Sangha community consisted of over five thousand Lamas.

We felt much enlightened by the beauty and grace of the Buddha temple. Every wall of the temple speaks about the history of Buddha. We did shopping outside the temple. After having the dinner, we started our journey back. Really it was a wonderful experience for the students and the faculty members. Besides, the visit enhanced our knowledge about the great place enriched with culture and traditions.
